Tournament Details

PLEASE CHECK THE WEBSITE REGULARLY EVERY EVENING BEFORE THE FOLLOWING DAYS PLAY FOR UPDATED INFORMATION

Each team will play three games. The four best winners after the first game will go through to compete for the Findlay Trophy. The five losing teams and worst winner will go through to the other side of the draw and play for the Findlay Jug.

All umpires need to provide their own umpire pony. Those teams unable to provide the required umpires due to players playing in both the Assam and the Findlay will be required to provide an umpire pony for their replacement umpire.

Should any player not be able to make their game it is their responsibility to find a replacement.

Pony changes must take place behind the back line of each goal for safety and welfare reasons.
