

# High Point Polo pony Pre season fitness Service

Struggling to get your ponies fit? No groom or lack of time and daylight hours? We all know how tedious the first 6 to 8 weeks of the polo pony fitness regime can be with short days, horrid weather, soggy, scabby, hairy ponies, cold hands, muddy paddocks, wet rugs, fluffy saddle pads, no staff, or no one wanting to do all that boring initial walking work etc....

## **There is help...**

High Point polo stud are offering a new pony fitness livery designed to get your polo ponies ready to play. We are now taking bookings for 2016, tailor made to your requirements.

We are located in Widmerpool (Nottinghamshire/ Leicestershire border) Set in 46 acres High Point offers secure post & rail paddocks, winter barns, stables, horse walker, all weather fiber sand ménage, canter tracks and excellent on and off road hacking with good experienced staff on site 24 /7.. We can even collect your ponies...
